Derwent London launches Community Fund for Autumn 2017

Derwent London plc (“Derwent London” / “the Group”) is pleased to announce its Community Fund Autumn 2017 – covering the Tech Belt*. This forms part of the Group’s on-going sustainability programme and commitment to developing community engagement.

St Luke’s Old Street International Day of Older People 2016

The Spitz Charitable Trust – music for wellbeing workshops 2017

Derwent London invites local community groups, residents and local business owners to apply for funding for community projects. For Autumn 2017, funds will be available as follows:

- £25,000. Deadline for all applications: 10 November 2017.

As in previous years, applications will be considered by representatives from Derwent London and the local community. For further information and how to apply, please visit www.derwentlondon.com/community-fund or contact the Communities team at Derwent London – Tel. 020 7659 3000 or email community@derwentlondon.com.

Derwent London has worked closely with the local community to develop this programme to enable the delivery of worthwhile projects. Grants from its Community Fund are in addition to the Group’s required community contributions from planning agreements. The Group has now committed a total of £550,000 (including administrative costs) into the Community Fund since it was launched in 2013. Most projects funded are either completed or under way and are providing much needed improvements, community facilities and new opportunities.

John Davies, Head of Sustainability at Derwent London, commented:

“We are pleased to continue our Community Fund in Tech Belt for Autumn 2017 and look forward to receiving some more brilliant applications.”

**The Tech Belt is defined here as the area extending from King’s Cross to Whitechapel, largely covering EC1 and E1 postcodes.*

Notes to editors**Derwent London**

Derwent London plc owns 89 buildings in a commercial real estate portfolio predominantly in central London valued at £4.8 billion (including joint ventures) as at 30 June 2017, making it the largest London-focused real estate investment trust (REIT).

Our experienced team has a long track record of creating value throughout the property cycle by regenerating our buildings via development or refurbishment, effective asset management and capital recycling.

We typically acquire central London properties off-market with low capital values and modest rents in improving locations, most of which are either in the West End or the Tech Belt. We capitalise on the unique qualities of each of our properties – taking a fresh approach to the regeneration of every building with a focus on anticipating tenant requirements and an emphasis on design.

Reflecting and supporting our long-term success, the business has a strong balance sheet with modest leverage, a robust income stream and flexible financing.

Landmark schemes in our 5.6 million sq ft portfolio include Angel Building EC1, The Buckley Building EC1, White Collar Factory EC1, 1-2 Stephen Street W1, Horseferry House SW1 and Tea Building E1.

In 2017 the Group won the Property Week Developer of the Year award, was listed 12th out of 4,000 in the Corporate Knights Global 100 of the world's most sustainable companies and achieved EPRA Gold for corporate and sustainability reporting. In 2016 the Group won Estates Gazette National Company of the Year and London awards as well as awards from Architects' Journal, British Council for Offices, Civic Trust and RIBA.

As part of its wider sustainability programme, in 2013 Derwent London launched a dedicated £250,000 voluntary Community Fund and, in 2016, made a further commitment of £300,000 for the next three years for Fitzrovia and the Tech Belt.

Background on the Derwent London Fitzrovia Community Fund

Derwent London's Community Fund forms part of the Group's on-going sustainability programme and commitment to developing community engagement. Creating Value in the Community as a key priority and, to deliver on this principle, the Group has evolved a voluntary Community Fund to support local projects in the key areas in which it operates.

Funds are designed to support projects with a focus on:

- community events
- environmental improvements
- health & well-being activities
- music & culture
- training & upskilling, increasing employment/apprenticeship opportunities for disadvantaged people

Fitzrovia Community Fund

Starting with Fitzrovia in 2013, the Group offered a £250,000 Community Fund and supported 17 local projects from 2013 – 2015. Notable projects have included resurfacing a multi-use

games area, music workshops for people with mental health problems, art project for homeless people and lunch club for the elderly.

Tech Belt Community Fund

In 2016, Derwent London extended to fund with a further £300,000 to be shared equally in Fitzrovia and the Tech Belt, to be spread over three years. The Tech Belt Community Fund runs twice a year (summer and winter) offering c.£25,000 each time.

Applications will be considered by representatives from Derwent London and the local community. For further information and how to apply, please visit:
