Derwent London announces successful applications for its Spring 2022 Community Fund

Derwent London is pleased to announce the successful applicants for its Community Fund (spring 2022 round) from local community groups and residents in Fitzrovia & West End.

Fitzrovia Youth in Action

Soup Kitchen

Approximately £60,000 is being awarded to the following projects for spring 2022:

Fitzrovia & West End:

The Soup Kitchen – ongoing support of the running of the kitchen and welcome role

Fitzrovia Youth in Action – Warren Centre Youth Social Action programme

All Souls Serve the City – Senior care

Creative Women's Hub – Creative Communities Mentorship Programme

Fitz Music - Fitzrovia Arts Festival

University of Westminster – towards restoration fund of Soho Poly Theatre

The projects chosen were from a number of applications submitted. A community panel was convened, with feedback from local authority officers and staff from Derwent London, to contribute to the decision-making process. The winning entries have been selected on the basis that they will offer positive benefits – from employment to environmental, social, cultural, arts and health.

John Davies, Head of Sustainability at Derwent London, commented:

"Now in its ninth year, our Community Fund continues to support these much-needed projects. We are pleased not only to be providing ongoing support for a number of longstanding groups from the area, but also to be supporting local groups that are new to us. We hope that our revised and broader application process has provided greater access to the fund"

Notes to editors

Derwent London plc

Derwent London plc owns 77 buildings in a commercial real estate portfolio predominantly in central London valued at £5.7 billion as at 31 December 2021., making it the largest London-focused real estate investment trust (REIT). Our experienced team has a long track record of creating value throughout the property cycle by regenerating our buildings via development or refurbishment, effective asset management and capital recycling.

We typically acquire central London properties off-market with low capital values and modest rents in improving locations, most of which are either in the West End or the Tech Belt. We capitalise on the unique qualities of each of our properties – taking a fresh approach to the regeneration of every building with a focus on anticipating tenant requirements and an emphasis on design. Reflecting and supporting our long-term success, the business has a strong balance sheet with modest leverage, a robust income stream and flexible financing.

As part of our commitment to lead the industry in mitigating climate change, Derwent London has committed to becoming a net zero carbon business by 2030, publishing its pathway to achieving this goal in July 2020. In 2019 the Group became the first UK REIT to sign a Revolving Credit Facility with a “green” tranche. At the same time, we also launched our Green Finance Framework and signed the Better Buildings Partnership’s climate change commitment. The Group is a member of the ‘RE100’ which recognises Derwent London as an influential company, committed to 100% renewable power by purchasing renewable energy, a key step in becoming a net zero carbon business. Derwent London is one of only a few property companies worldwide to have science-based carbon targets validated by the Science Based Targets initiative (SBTi).

Landmark schemes in our 5.6 million sq ft portfolio include 80 Charlotte Street W1, Brunel Building W2, White Collar Factory EC1, Angel Building EC1, 1-2 Stephen Street W1, Horseferry House SW1 and Tea Building E1.

In January 2022 we were proud to announce that we had achieved the National Equality Standard – the UK’s highest benchmark for equality, diversity and inclusion. In April 2022, Derwent London won the BCO Best Commercial Workplace award for 80 Charlotte Street. In October 2021, the Group won EG’s UK Company of the Year award and in January 2022 came top of the Property Sector and 38th position overall in Management Today’s Britain’s Most Admired Companies awards 2021. In 2020 the Group won several awards for Brunel Building with the most prominent being the BCO Best Commercial Workplace award. In 2019 the Group won EG Offices Company of the Year, the CoStar West End Deal of the Year for Brunel Building and Westminster Business Council’s Best Achievement in Sustainability award. In 2013 the Company launched a voluntary Community Fund and has to date supported well over 100 community projects in the West End and the Tech Belt.

Background to the Derwent London Community Fund

Derwent London’s Community Fund forms part of the Group’s on-going sustainability programme and commitment to developing community engagement. Creating Value in the Community is a key priority and, to deliver on this principle, the Group has evolved a voluntary Community Fund to support local projects in the key areas in which it operates. Funds are designed to support projects with a focus on community events, environmental improvements, health & well-being activities, music & culture and ongoing help for local groups in need. Starting with Fitzrovia in 2013, the Group offered a £250,000 Community Fund and supported 17 local projects from 2013 – 2015. Notable projects have included resurfacing a multi-use games area, music workshops for people with mental health issues, art project for homeless people and lunch club for the elderly. In 2016, Derwent London announced an extension to the fund of £300,000 to be shared equally in Fitzrovia and now in the Tech Belt, to be spread over three years and a further £300,000 commitment was made to continue the Fund from January 2019 for three years, with the Fitzrovia scope being widened to include the West End. In 2022, the annual fund amount was increased to £120,000.

Community Fund in Fitzrovia & West End

The Fitzrovia & West End fund runs once a year (spring) and £60,000 is available for registered charities; non-registered groups, businesses and individuals can apply for £2,000 maximum.

Community Fund in Tech Belt

The Tech Belt Community Fund now runs once a year (autumn) and £60,000 is available for registered charities; non-registered groups, businesses and individuals can apply for £2,000 maximum.

The criteria for the Tech Belt fund reflect opportunities in the area and so the scope has been extended to support: young people, training & upskilling, increasing employment/apprenticeship opportunities for local people in the area and in particular for access into tech/startup businesses; health & well-being activities for all generations; worthwhile community events, music, culture & arts; small improvements to public space.

Applications are considered by representatives from Derwent London, feedback from local authorities and an independent advisor. For further information and how to apply, please visit:

www.derwentlondon.com/community-fund or contact Derwent London, Tel: 020 7659 3000 or email community@derwentlondon.com

Broader community/employment initiatives

Building on its long-term sustainability principles, the Group are evolving wider support opportunities with individuals and organisations in the area. Initiatives include work placements, mentoring and volunteering opportunities for our staff.
