ABOUT US

Derwent London owns and manages a £5.5bn portfolio (31 Dec 2019) of commercial real estate located predominantly in central London. This makes us the largest London focused real estate investment trust.

We typically acquire properties off low capital values and modest rents in improving locations. We capitalise on the unique qualities of each of our properties – taking a fresh approach to the regeneration of every building through asset management and refurbishment.

2019

- 498,500 sq ft of lettings totalling £34.0m pa, 6.9% above Dec 2018 ERV:
