36 FEATHERSTONE STREET EC1

5 Old Street Yard, on the corner of Featherstone Street and Mallow Street

WELCOME TO OLD STREET YARD

A breeding ground for innovation,
collaboration and creativity.

Positioned right next to the roundabout, Old Street Yard is a network of low-rise, old and new warehouse-style buildings surrounding the iconic White Collar Factory and creating a vibrant and thriving urban campus. It offers flexible workspace, enabling businesses of any size to establish themselves in London's technology hub, giving them the space to develop and grow.

Old Street is at the centre of London's innovation economy. Its influence is unrivalled. So much of what makes east London the most exciting place to be right now is either based in Old Street or began within a stone's throw of here.

Now it is the most eclectic creative hub in the capital. Building a like-minded community of ambitious young businesses and established players.

A NEW URBAN CAMPUS

Old Street Yard serves all your work, social and wellbeing needs in the heart of one thriving location.

Richard Corrigan's Daffodill Mulligan forms part of the campus, together with Gibney's amazing sports bar in the lower ground floor. Also, for exercise enthusiasts, House of Fitness.

The courtyard offers a tranquil space with seating and public art. A place to meet, relax or dream up your next game-changing idea.

The centerpiece of the new tree-lined public courtyard within Old Street Yard is a bronze sculpture of a young black man checking his tablet. This inspiring work by the artist, Thomas J Price, represents the modernity and inclusivity of the local culture. The courtyard acts as a hub for socialising and sharing ideas, which is fully Wi-Fi enabled.

1. Step off the tube and into an early-doors HIIT class at House of Fitness, Old Street Yard.
2. Enjoy Irish foodie treasures for dinner at Daffodil Mulligan, Old Street Yard.
3. Pop out for a casual meeting alfresco in the courtyard, Old Street Yard.
